PROFESSIONAL SUMMARY

Dedicated Final-year B.Tech CSE (AI) student with a strong technical foundation in Data Structures, Algorithms, and Object-Oriented Programming. Experienced in architecting software solutions and implementing machine learning models through rigorous academic training and real-world projects.

EDUCATION

Maharaja Agrasen Institute of Technology, Delhi <i>B.Tech in Computer Science and Engineering (Artificial Intelligence) CGPA: 9.23</i>	2024 – 2027
Jamia Millia Islamia, New Delhi <i>Diploma in Computer Engineering Percentage: 80.4%</i>	2021 – 2024

TECHNICAL SKILLS

Languages: C++, Python, Java, SQL
Core CS: Data Structures & Algorithms, OOP, Operating Systems, DBMS, Computer Networks
AI & ML: Deep Learning, Neural Networks, TensorFlow, PyTorch
Tools & Dev: Git, VS Code, Linux, Jupyter, Streamlit

PROJECTS

Smart Medic: Emergency Queue Manager - Engineered a rule-based triage engine in Python, implementing max-heap priority queues to optimize patient processing flows. - Designed an intelligent aging algorithm to effectively eliminate queue starvation under strict resource constraints.	Python
Underwater Debris Detection App - Architected a custom CNN model using TensorFlow and OpenCV, achieving 82% classification accuracy to prevent overfitting. - Developed an end-to-end processing pipeline enabling real-time inference on complex underwater datasets.	TensorFlow, OpenCV

TRAINING & EXPERIENCE

Samsung Innovation Campus Program (Hybrid) <i>Coding and Programming Track</i> - Applied advanced OOP paradigms and data structures to resolve algorithmic bottlenecks in complex software challenges. - Optimized code runtime and computational complexity for high-performance software design.	Dec 2025 – Feb 2026
CSRBox x IBM Skills Build (Virtual) <i>AI Agent Development Training</i> Architected automated agent workflows using prompt engineering and structured backend logic for scalable pipelines.	July 2025 – Aug 2025

LEADERSHIP & ACHIEVEMENTS

- Photography Head & Event Manager, Aivolution (AI Society, MAIT):** Directed visual content and operational logistics for large-scale technical events.
- Letter of Recommendation:** Awarded by the HOD, CSE-AI, MAIT for sustained leadership in departmental society initiatives.
